P R O C E E D I N G S

6:40 p.m.

MS. TEMPLETON: Good evening, everyone.
My name is Carolyn Templeton. I'm with the
Federal Energy Regulatory Commission and we're
here to do an evening scoping meeting for the Mid
Fork American project.

But as I can see in the audience,
everyone that is in attendance was here for this
morning's meeting, so unless anyone has anything
additional that they'd like to add for the record
for the project, and if no one has any complaints
we'll just go ahead and call it a night and
that'll be it.

So, any comments from anyone else?

Okay, thank you very much. Thank you
for coming. Meeting adjourned.

(Applause.)

(Whereupon, at 6:42 p.m., the Scoping
Meeting was adjourned.)
