**SUPPLEMENTAL INFORMATION
OF PACIFIC GAS AND ELECTRIC COMPANY**

On June 13, 2011, Pacific Gas and Electric Company (“PG&E”) submitted a “doc-less” Motion to Intervene in the above-captioned proceeding. In PG&E’s Statement of Interest supporting the motion, PG&E explained that it has applied for a new license for a PG&E transmission line only project that is directly connected to Placer County Water Agency’s Project No. 2079.

In identifying PG&E’s project, however, twice PG&E inadvertently reversed two of the numerals in the FERC project number. The correct identifier for PG&E transmission line only project is FERC Project No. 2479. PG&E apologizes for any confusion and submits this
