RE: Middle Fork American River Project Relicensing / Final 2008 Technical Study Report  
TERR 3 – Noxious Weeds

Dear Terrestrial Resources Technical Working Group Member –

On March 20, 2009, Draft TERR 3 – Noxious Weeds Technical Study Report – 2008 (TSR) was distributed to the Terrestrial Technical Working Group for review and comment by May 19, 2009. No comments were received on the draft TSR; therefore, PCWA deems TERR 3 – Noxious Weeds TSR – 2008 approved.

Attached for your use is the CD containing the final study report.

If you have any questions, please don't hesitate to call me at (530) 823-4889.

Sincerely,  
PLACER COUNTY WATER AGENCY
