Focused Discussion Group Invitation

Dear Stakeholder -

The Placer County Water Agency (PCWA) invites you to participate in a focus group to develop information regarding the stream crossings that intersect the river and stream reaches associated with the Middle Fork American River Project (MFP). The Trail User/Stream Crossing Focus Group session will be held from 6:00 - 9:00 PM on May 12, 2008, in PCWA's American River Room located at 144 Ferguson Road, Auburn, California. Directions and a map are attached for your use. An invitation, which includes additional information about the purpose of the group and details about the meeting, is attached. Please note that the invitation includes three maps, which we have not included in this e-mail due to their size. The maps are available on PCWA's web site and can be accessed by clicking on the following link: <http://relicensing.pcwa.net/meetings.htm>. If you would like copies of the maps prior to the meeting, please let us know and we'll be glad to mail them to you.

We look forward to your participation in the Trail User/Stream Crossing Focus Group. Please reply to this message and let us know if you are planning to participate so that we can plan accordingly. As always, feel free to call Mal Toy, MFP Relicensing Manager, at (530) 823-4889 if you have any questions or need additional information.

Sincerely,  
Beverly Bell
