Overview

The mission of the Lands and Facilities Branch (LFB) is to work in partnership with the Department's Regions to ensure that the State's lands and facilities are managed and maintained to provide optimal benefits for fish, plants, wildlife and the public.

The Department administers total land area of over 900,000 acres of which more than 460,000 acres are owned in fee title.

Types of properties include:

- Structural Facilities
- Wildlife Areas
- Ecological Reserves
- Fish Hatcheries
- Public Access/Fishing Access
- Undesignated Lands
- Miscellaneous Lands

Lands and Facilities GIS services support such programs as:
