APPENDIX B1c

Graphs of Average Daily Flow (1975–2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project
List of Figures

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project.
FIGURES
Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project.

Small Bypass Streams

**Duncan Creek - Top of Reach (804.805)**

*Impaired*

**Duncan Creek - Top of Reach (804.805)**

*Unimpaired*
Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Small Bypass Streams (continued)
Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Small Bypass Streams (continued)
Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Small Bypass Streams (continued)
Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Small Bypass Streams (continued)
