

APPENDIX B1c

**Graphs of Average Daily Flow (1975–2007) for Selected Locations in the Waters
Associated with the Middle Fork American River Project**

TABLE OF CONTENTS

List of Figures

- Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project.

FIGURES

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project.

Small Bypass Streams

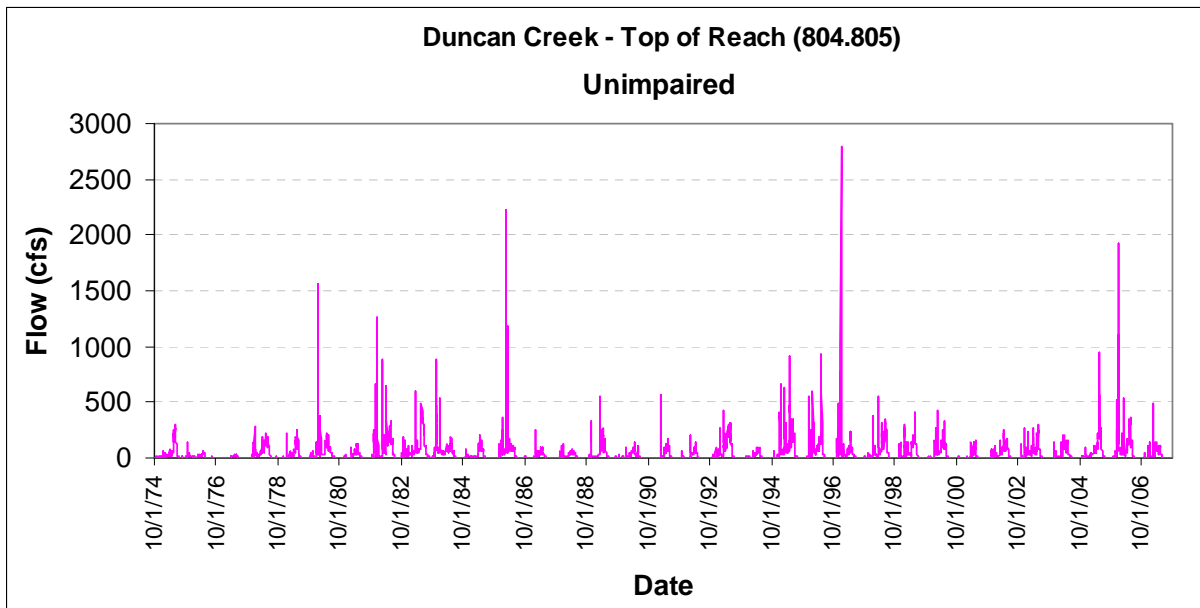

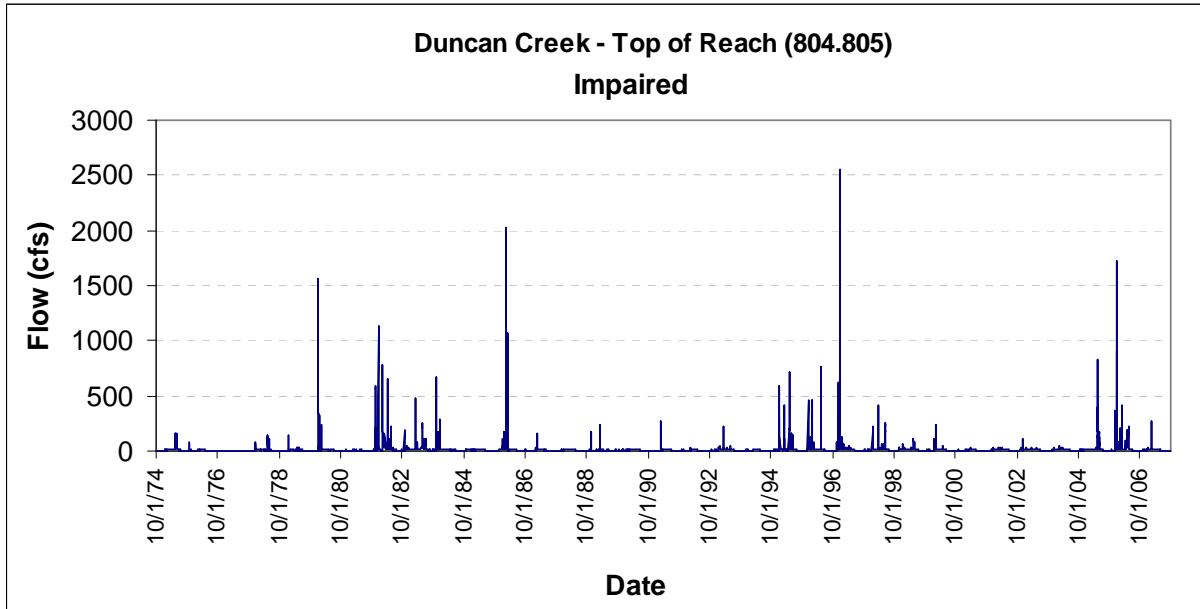

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Small Bypass Streams (continued)

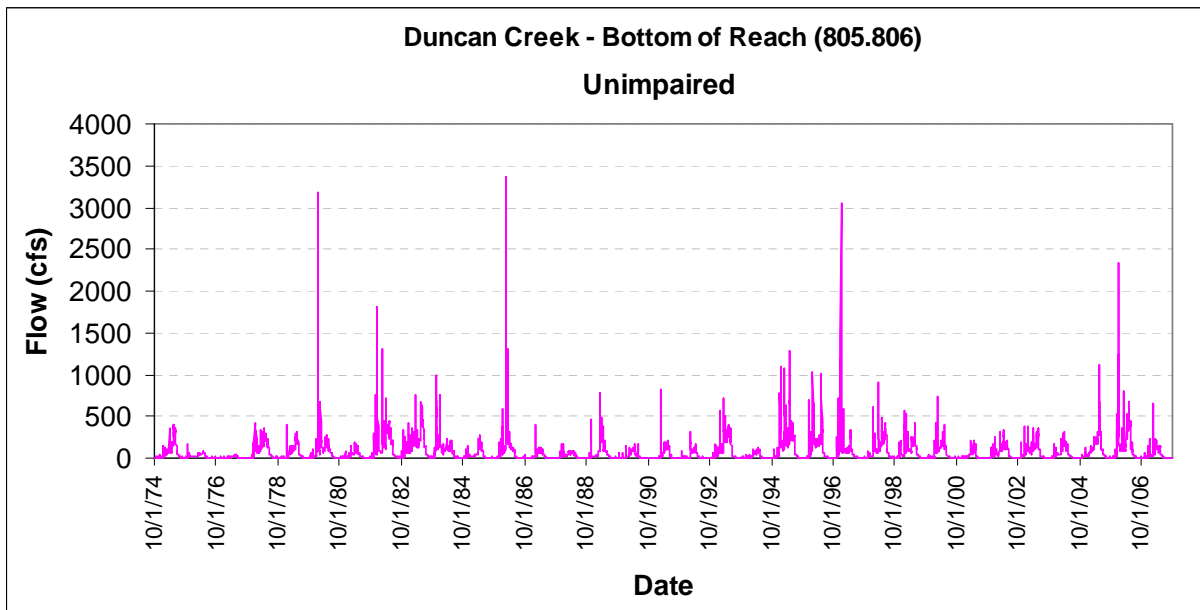

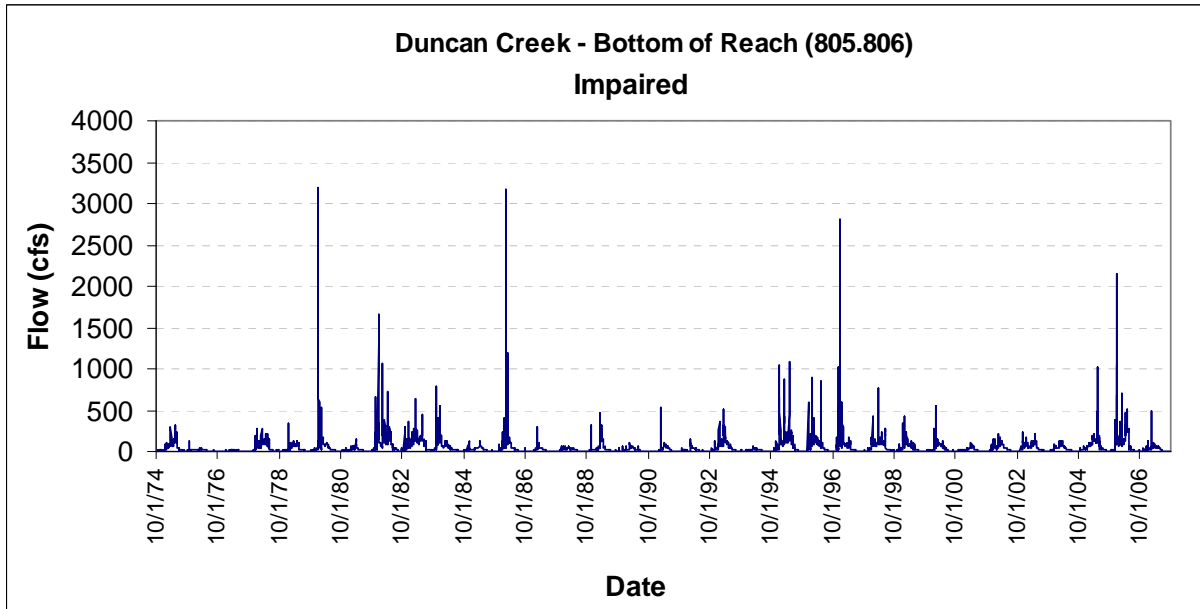

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Small Bypass Streams (continued)

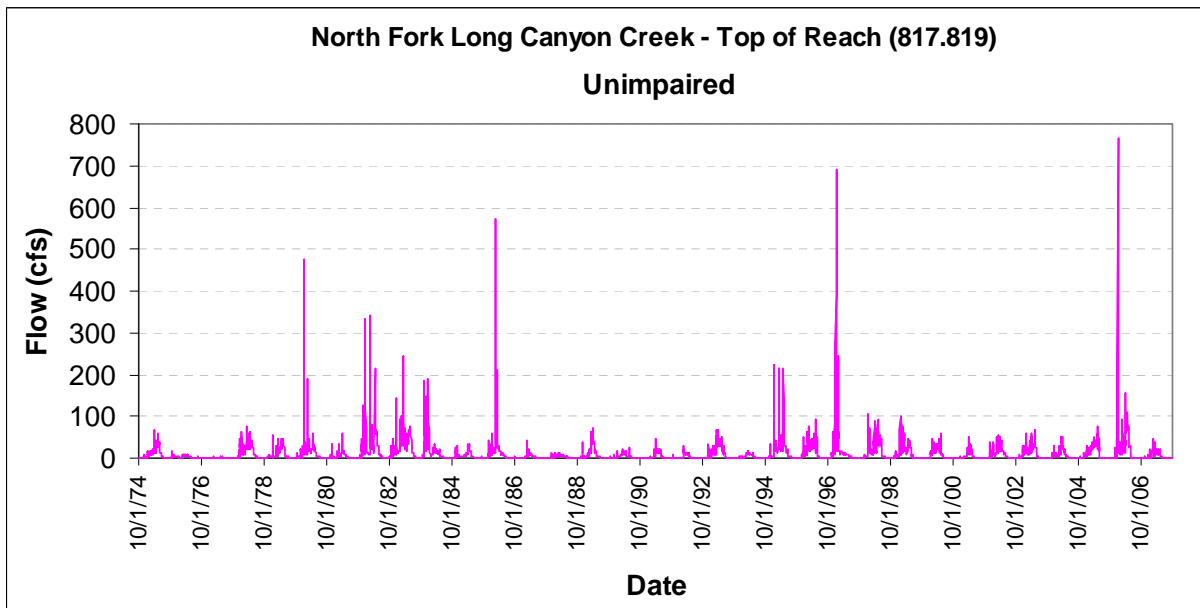

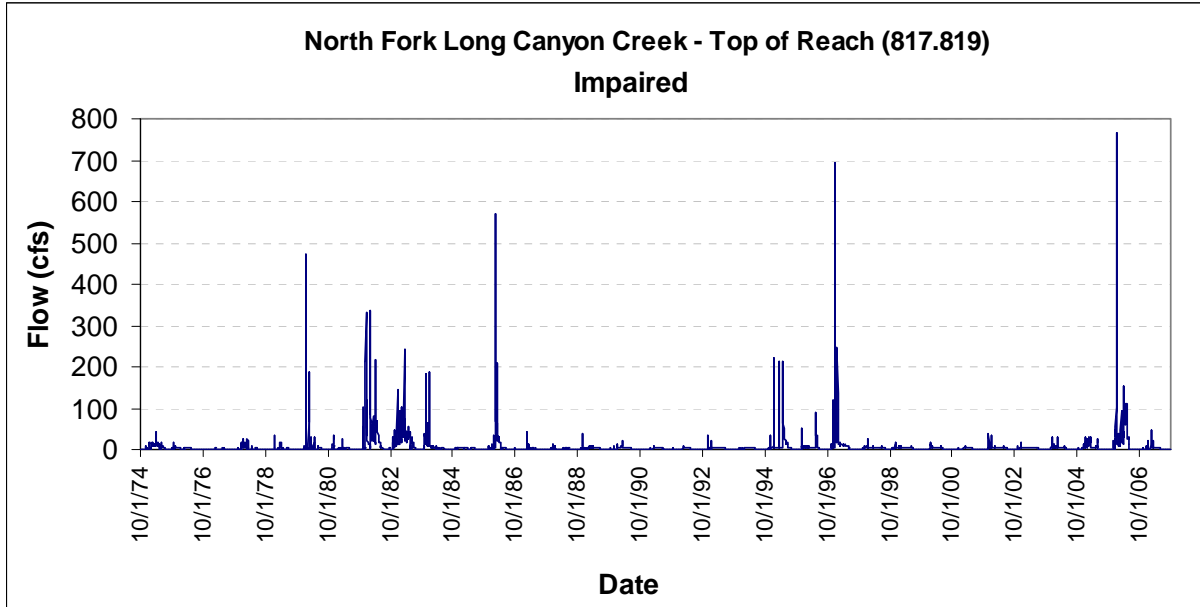

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Small Bypass Streams (continued)

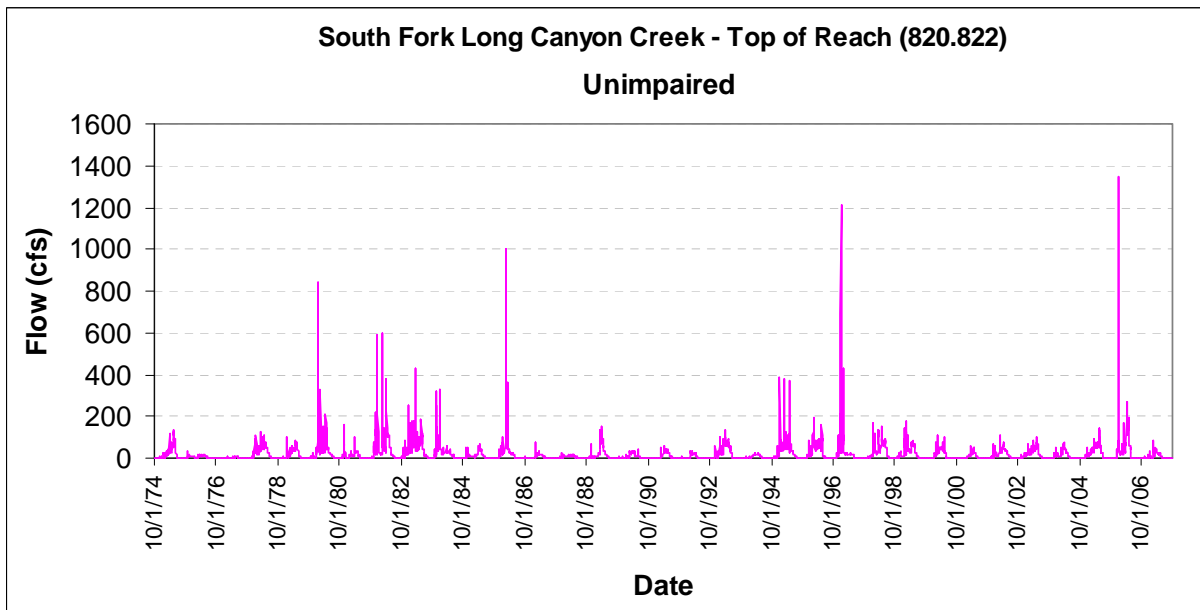

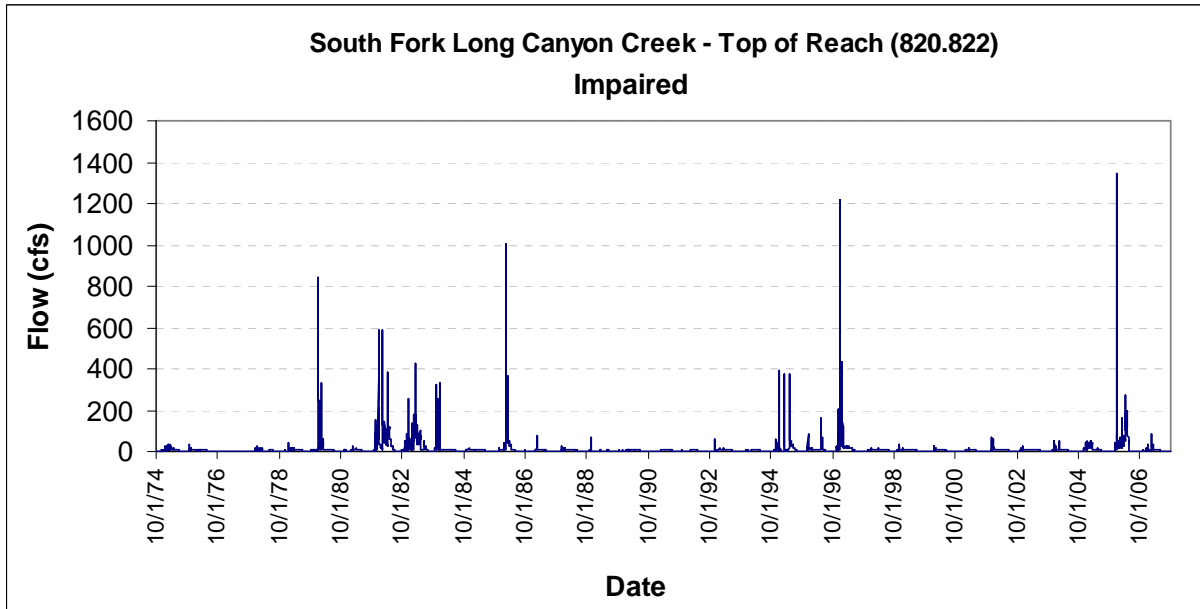

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Small Bypass Streams (continued)

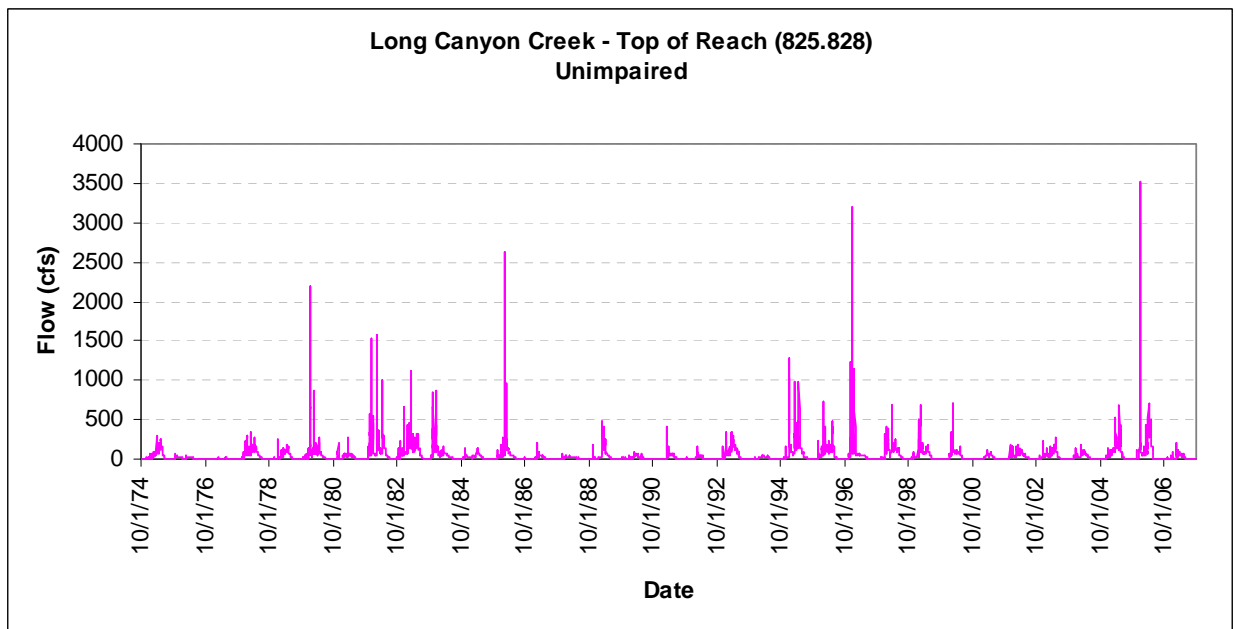

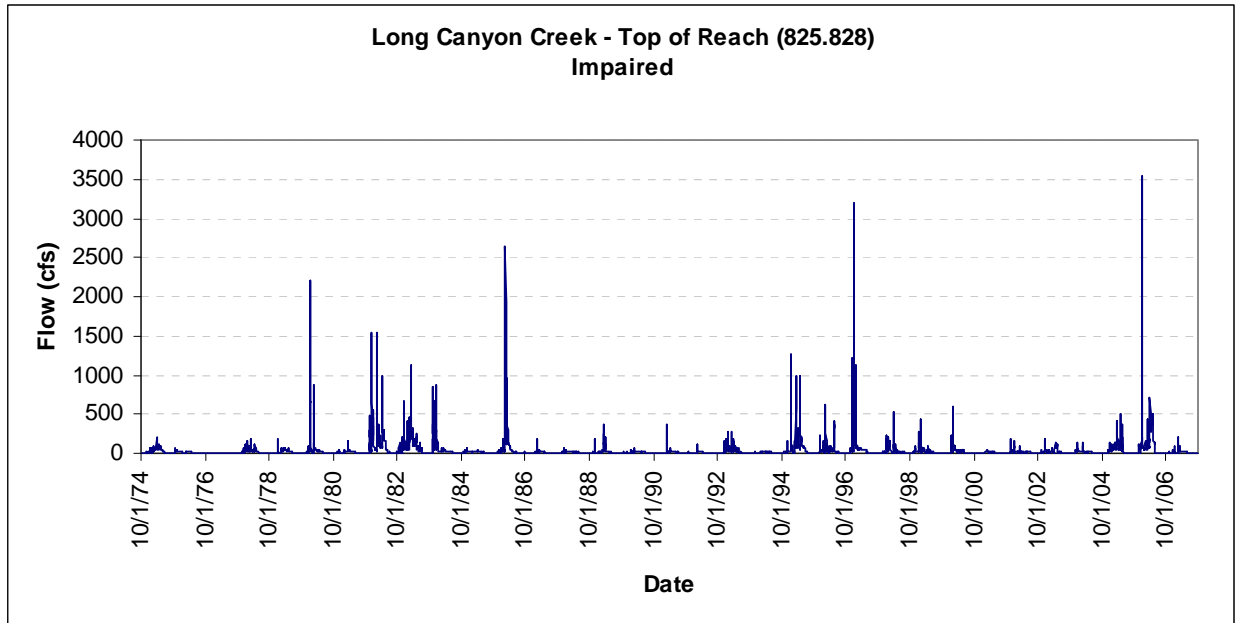

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Small Bypass Streams (continued)

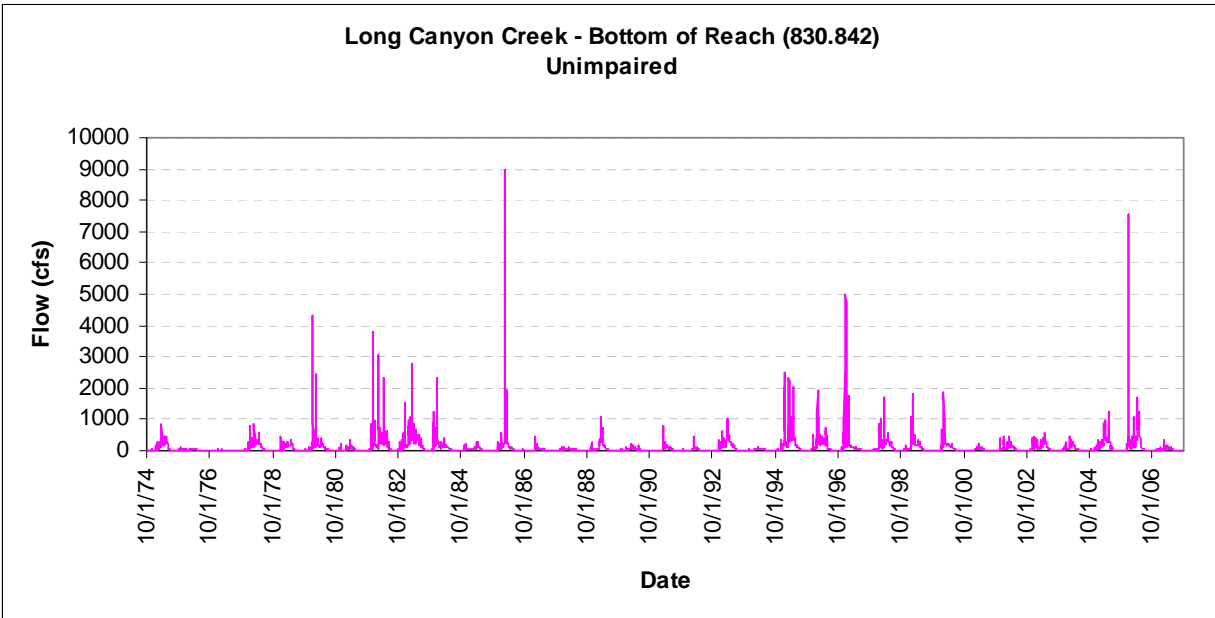

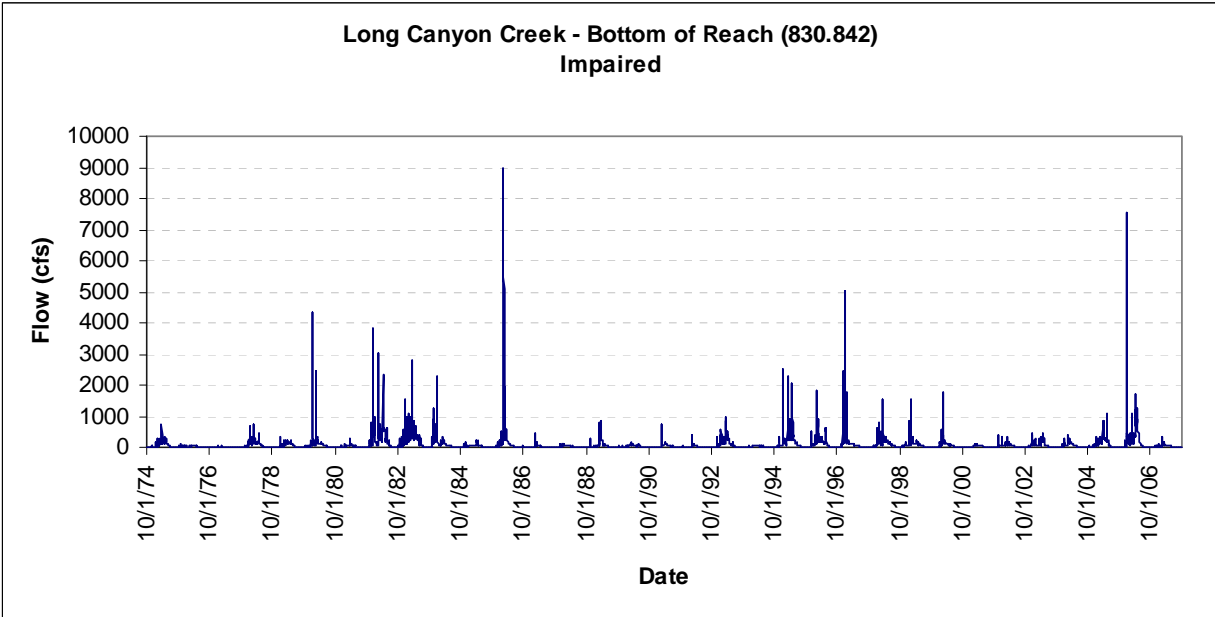

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Rubicon River

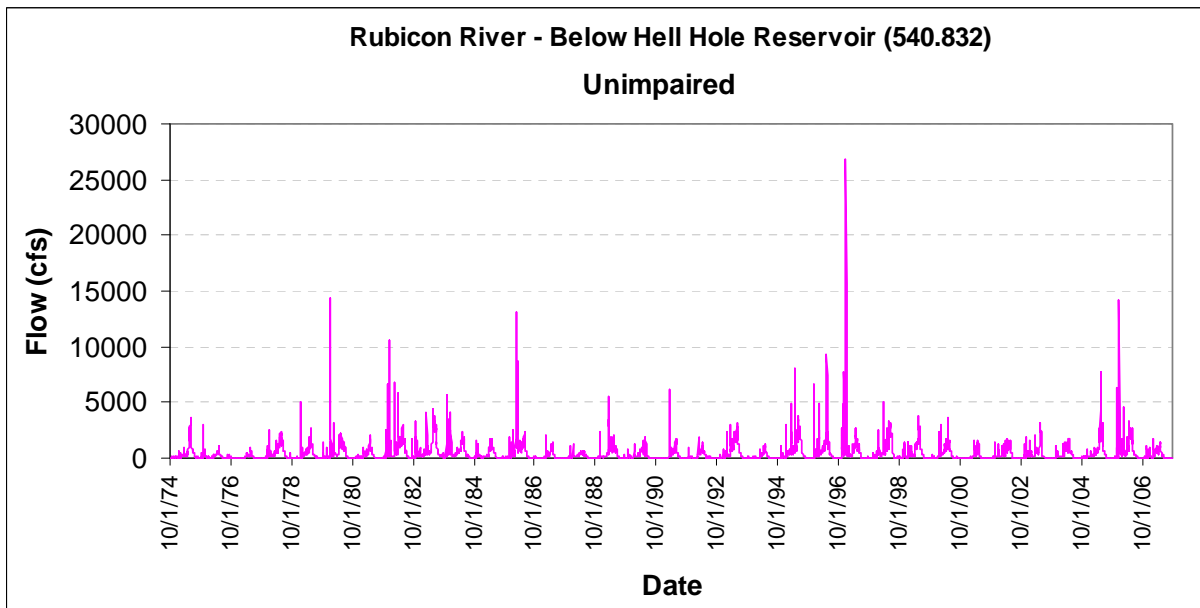

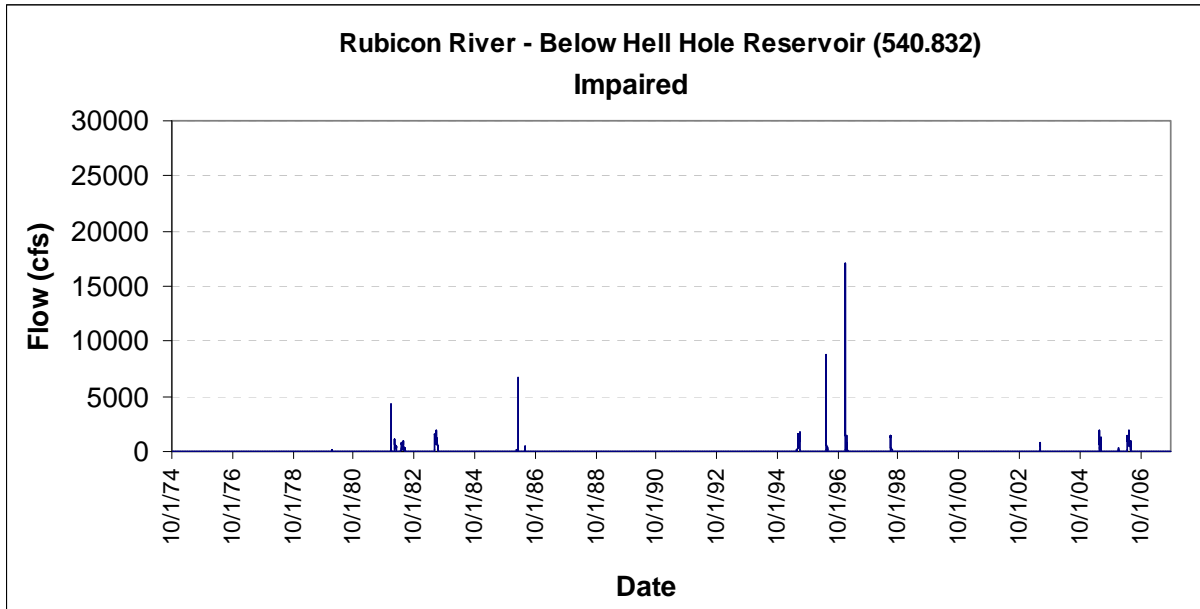

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Rubicon River (continued)

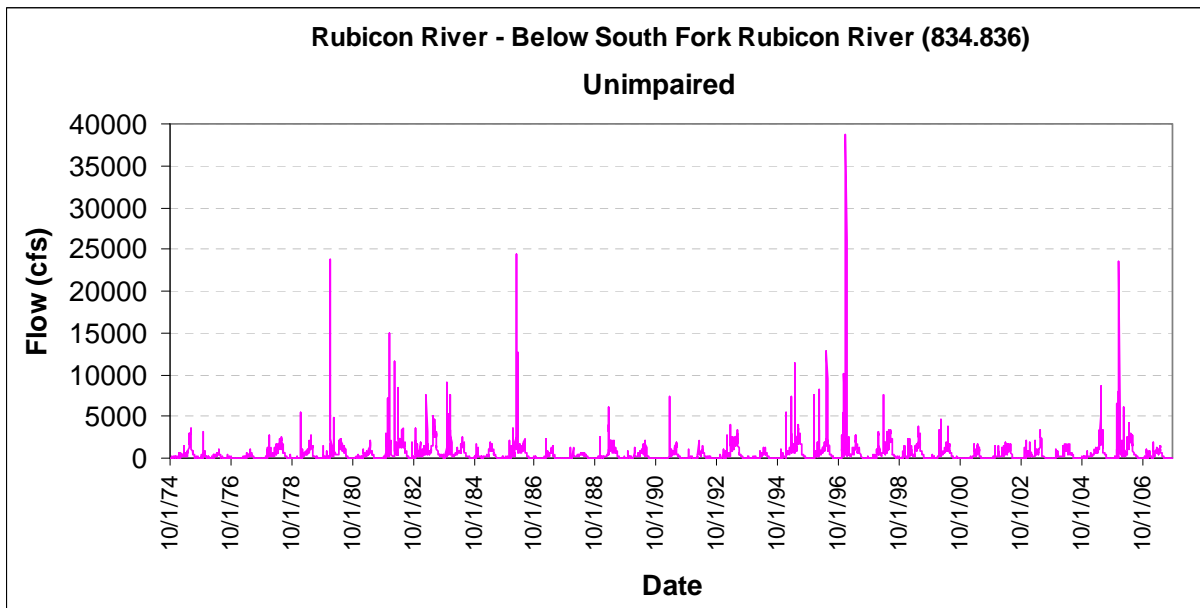

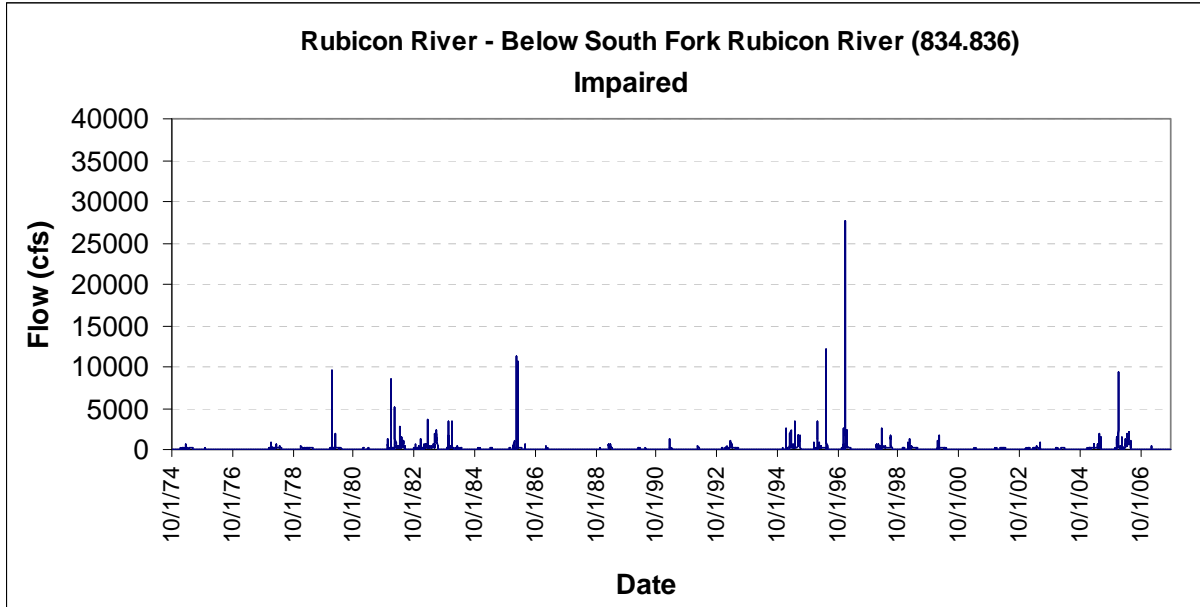

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Rubicon River (continued)

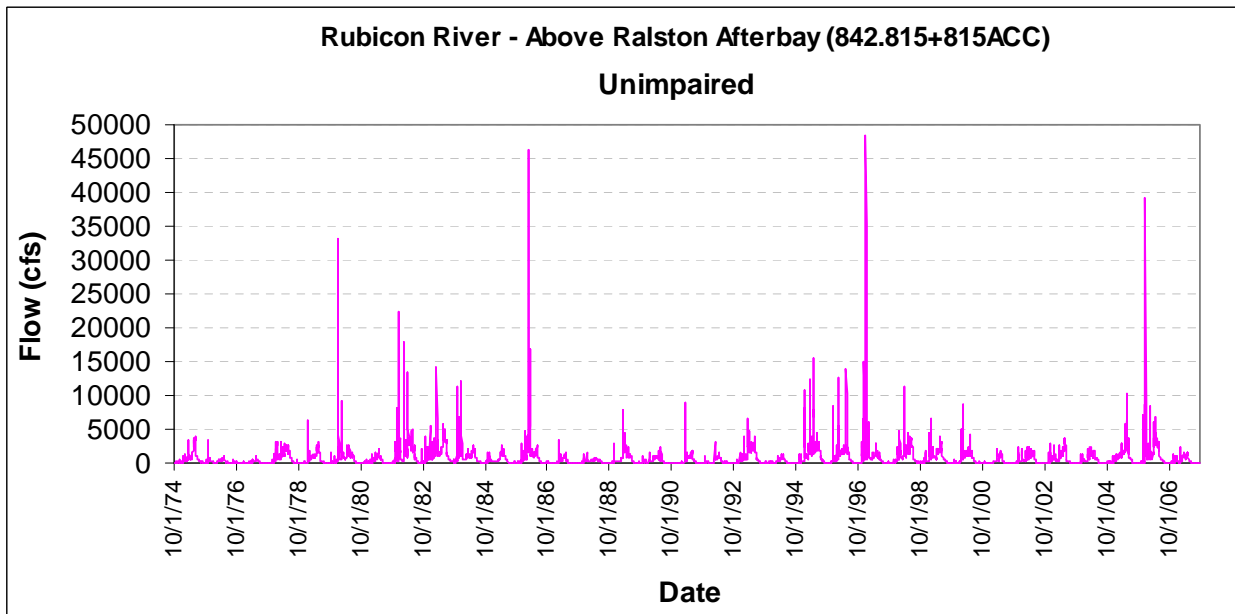

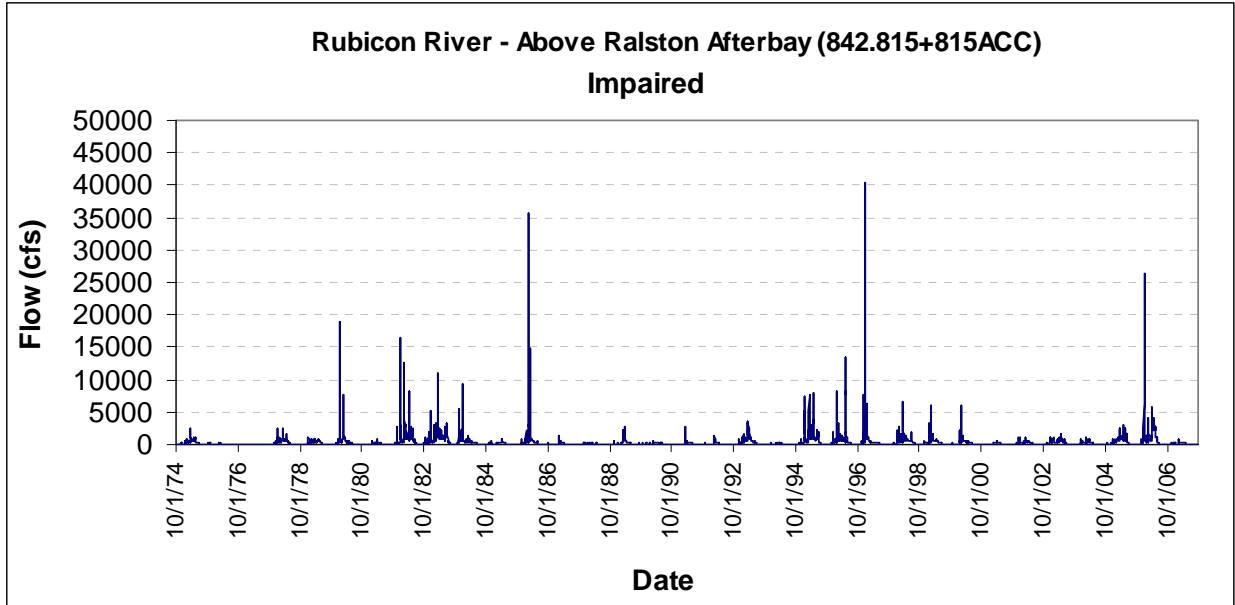

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Middle Fork American River Bypass Reach

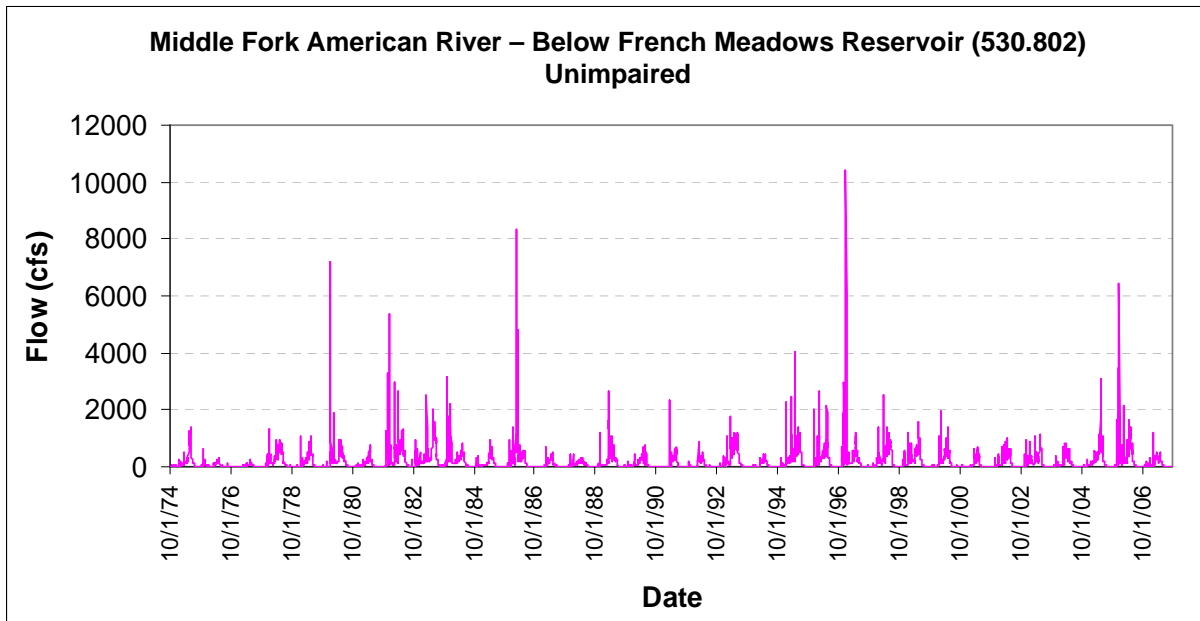

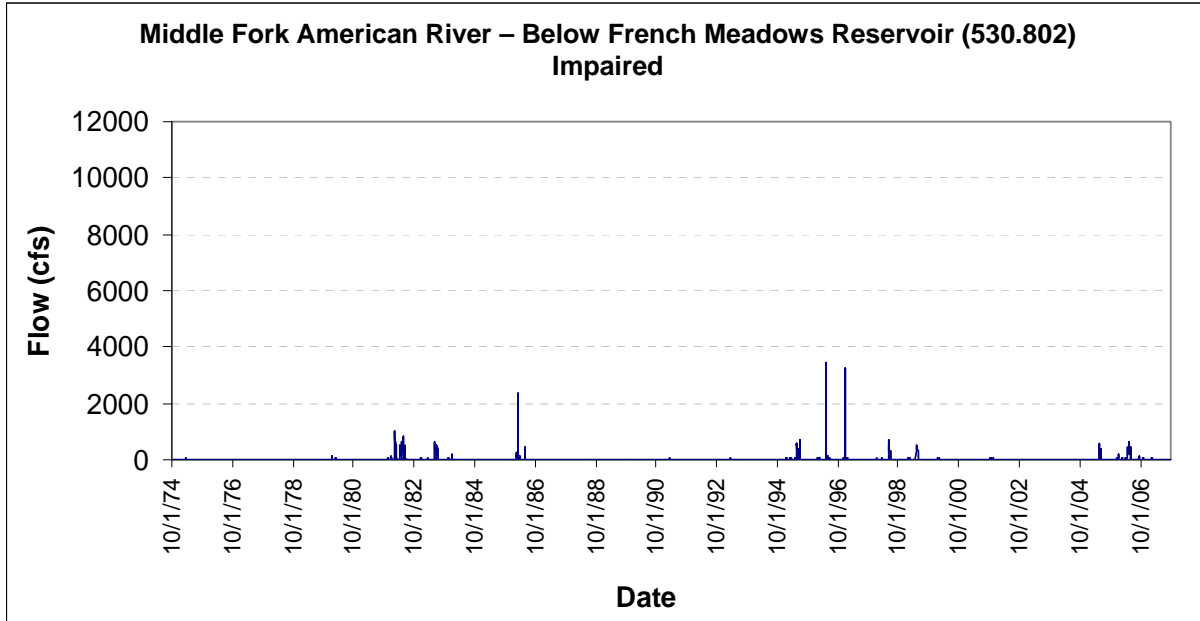

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Middle Fork American River Bypass Reach (continued)

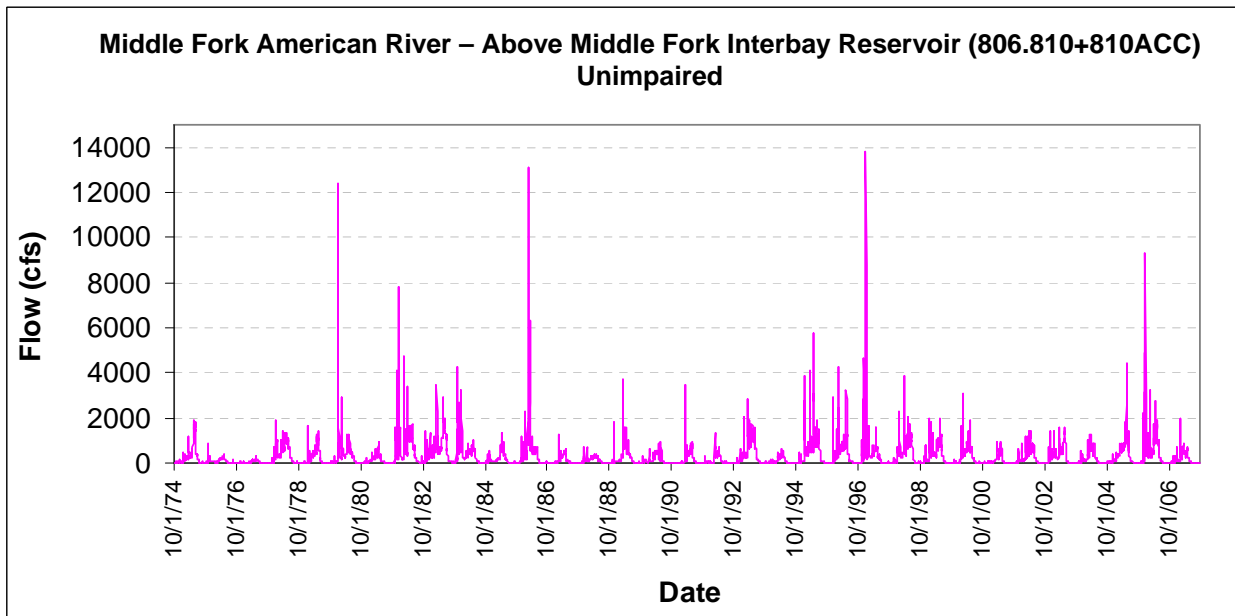

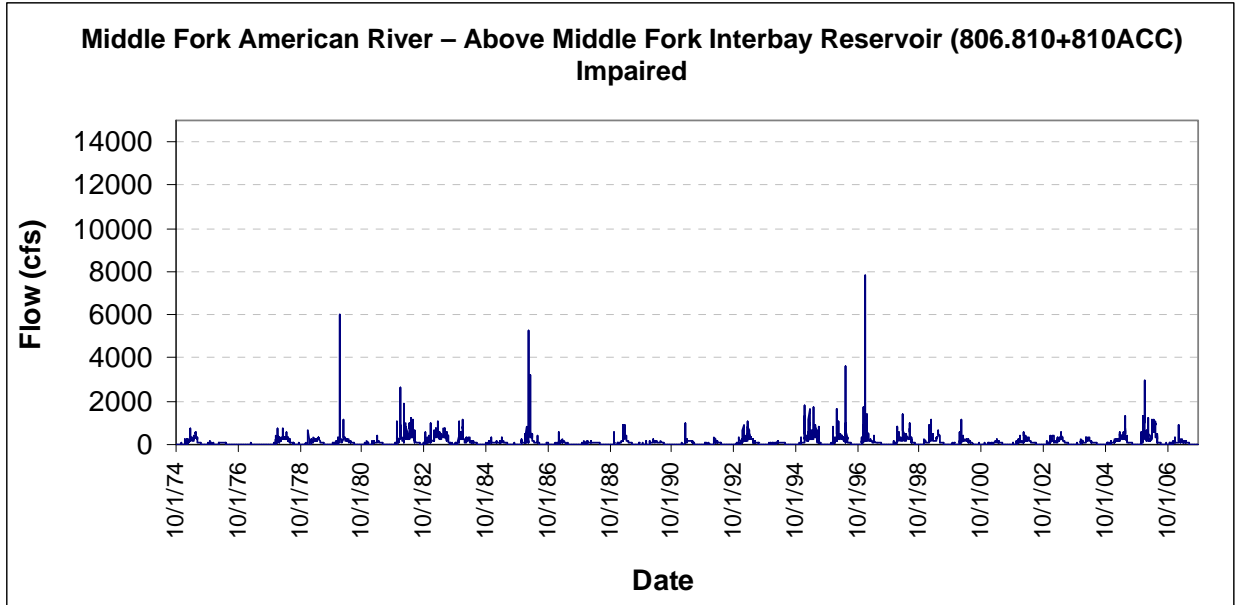

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Middle Fork American River Bypass Reach (continued)

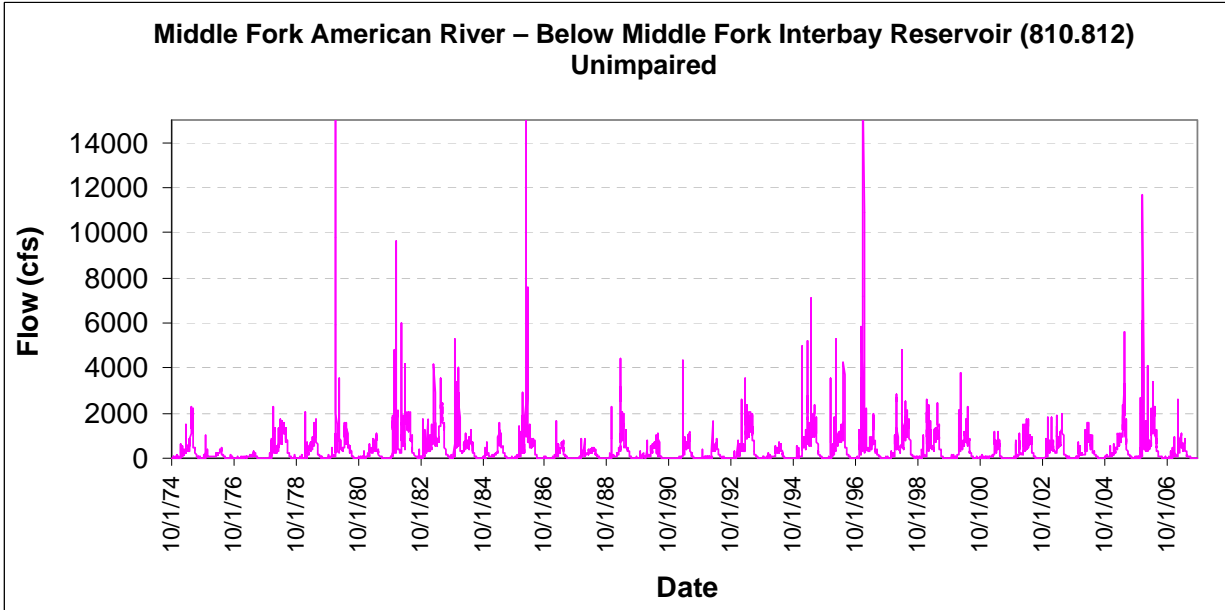

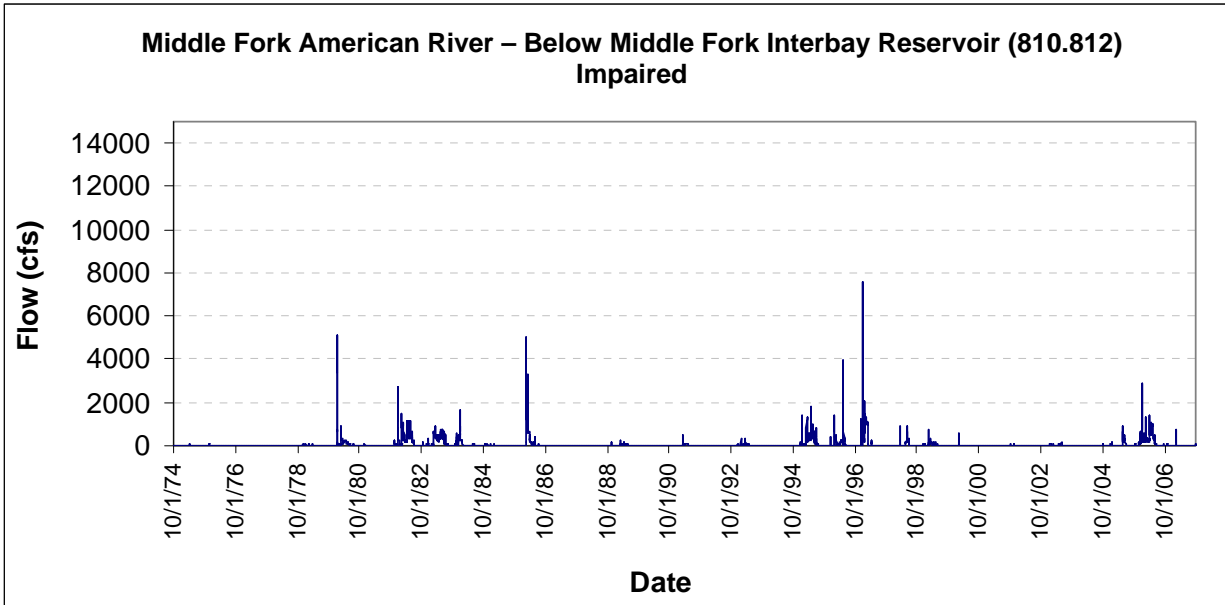

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Middle Fork American River Bypass Reach (continued)

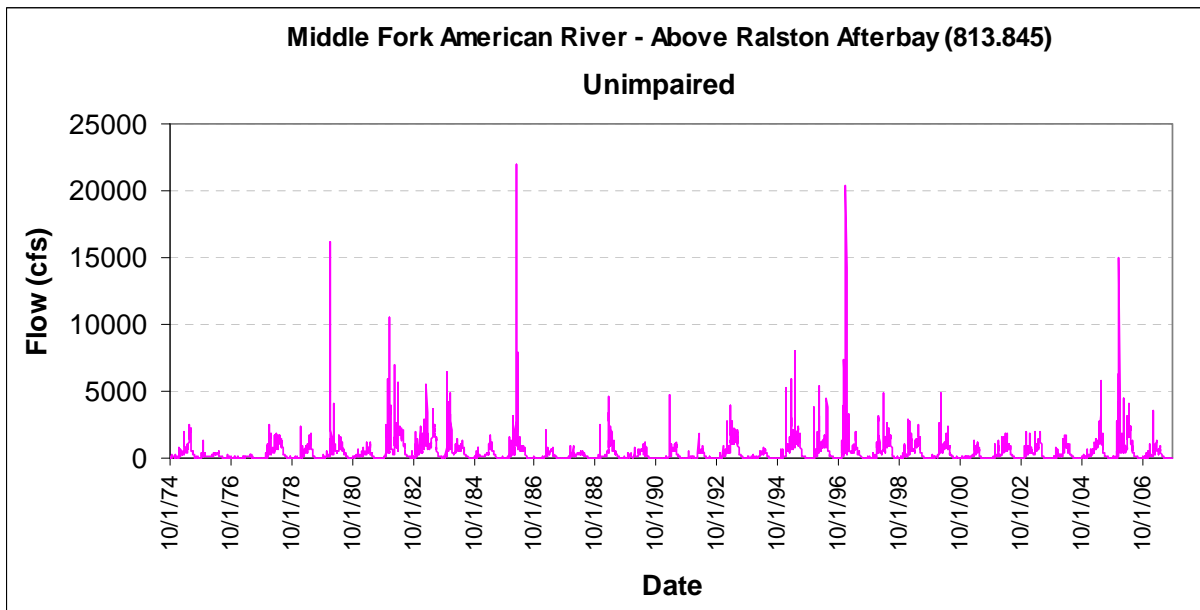

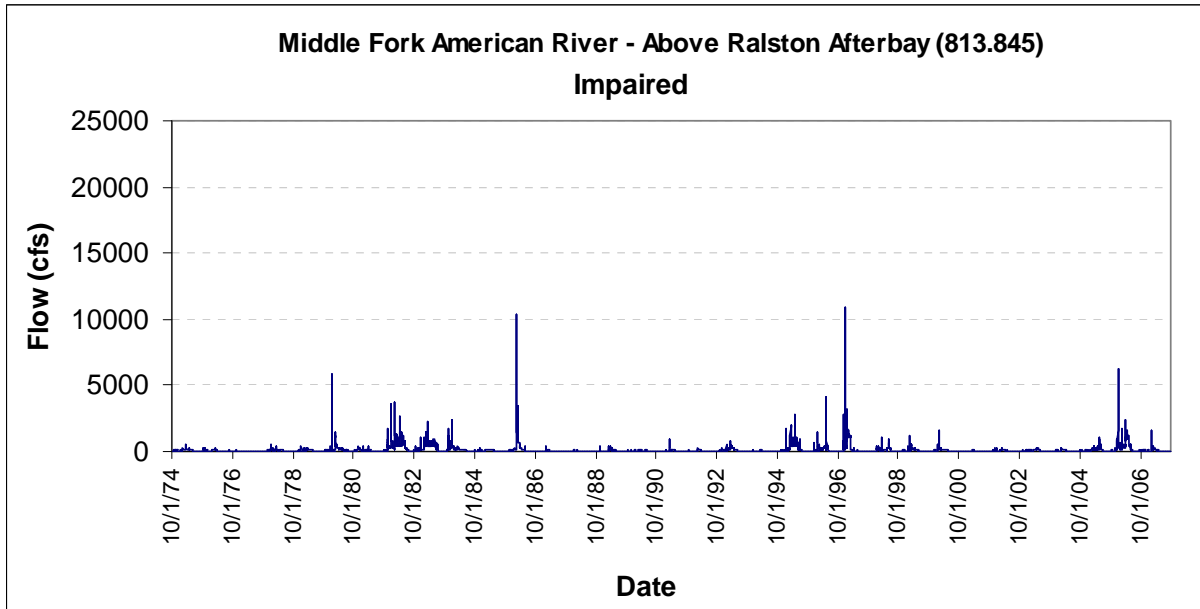

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Middle Fork American River Peaking Reach

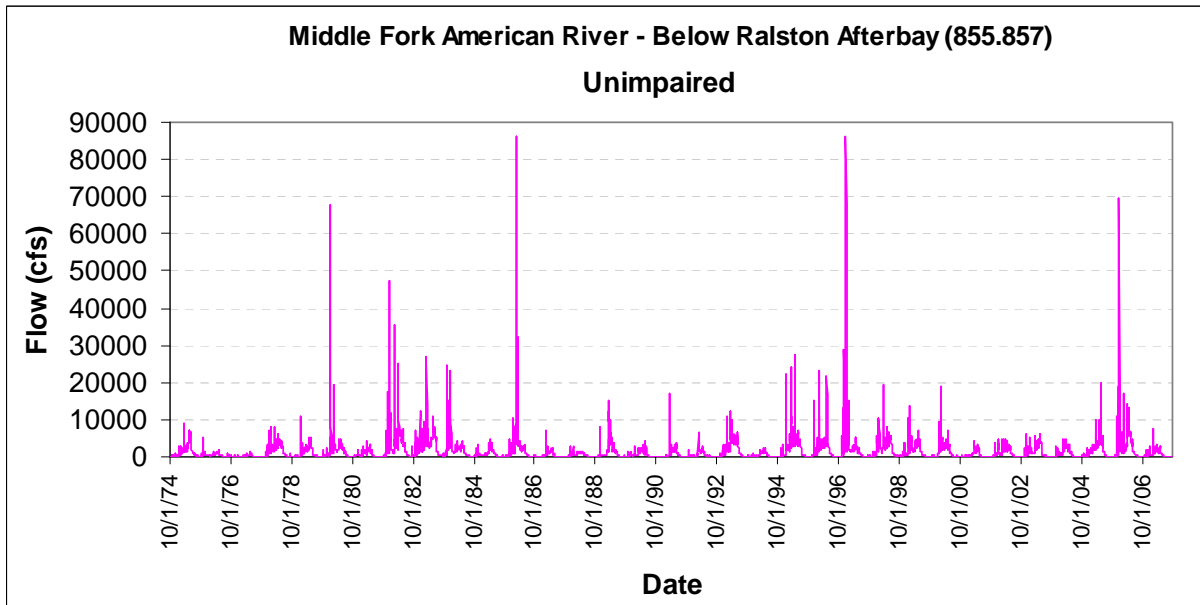

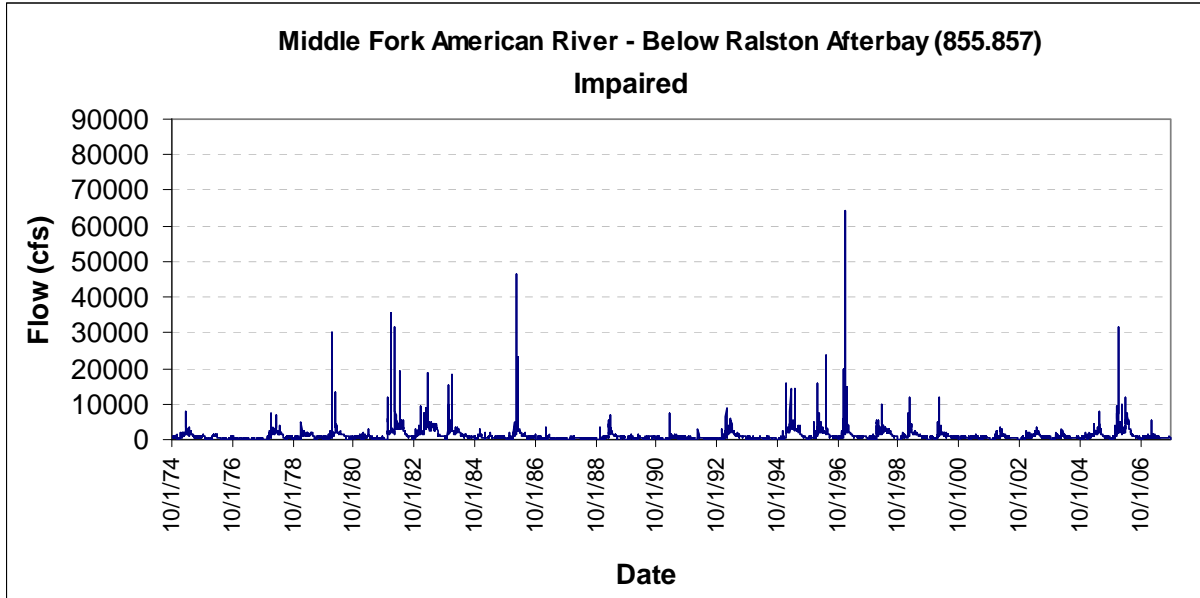

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Middle Fork American River Peaking Reach (continued)

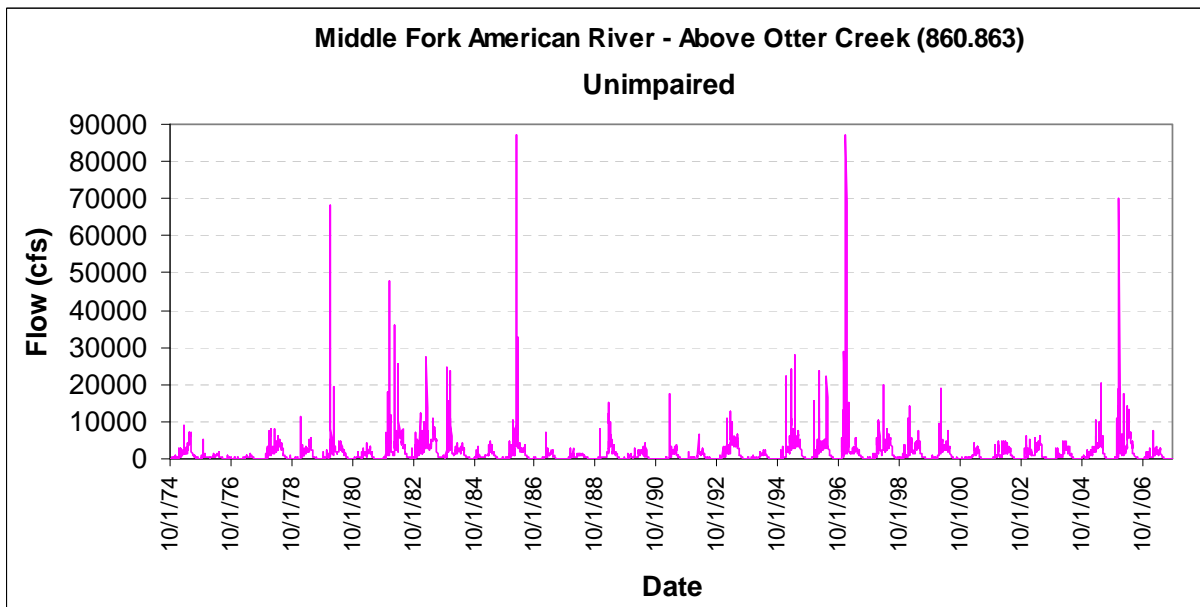

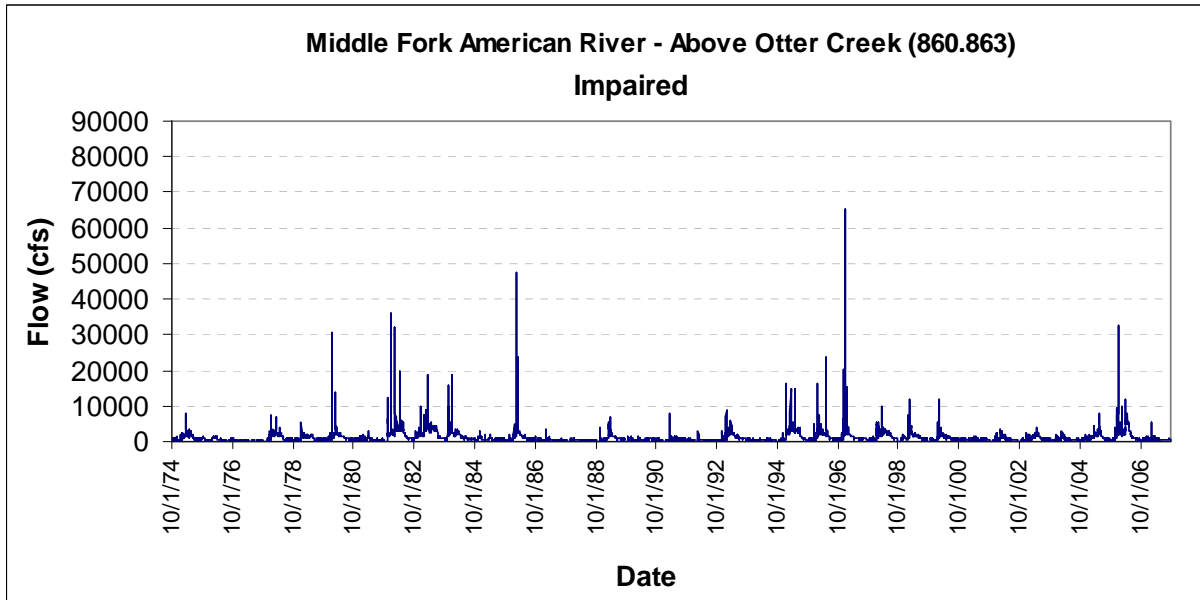

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Middle Fork American River Peaking Reach (continued)

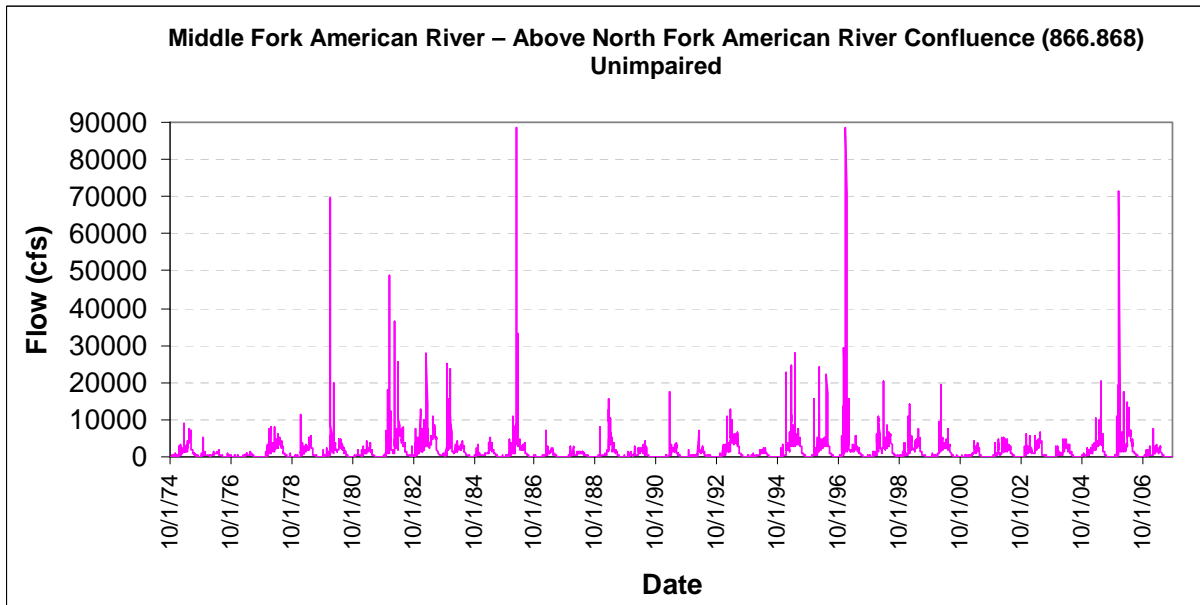

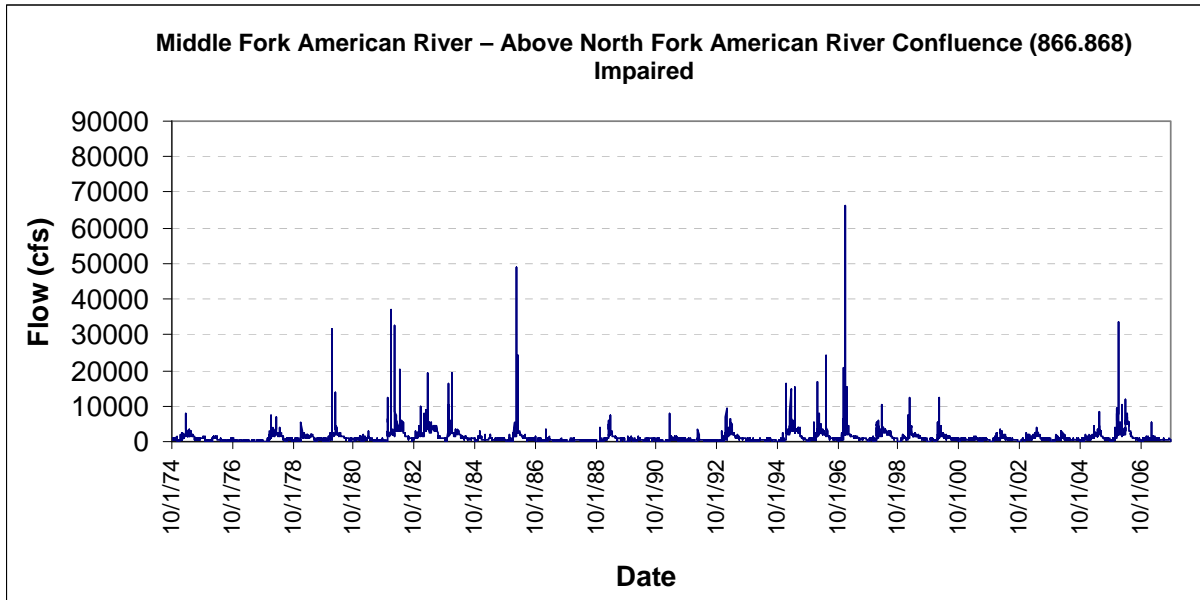

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Middle Fork American River Project Powerhouses

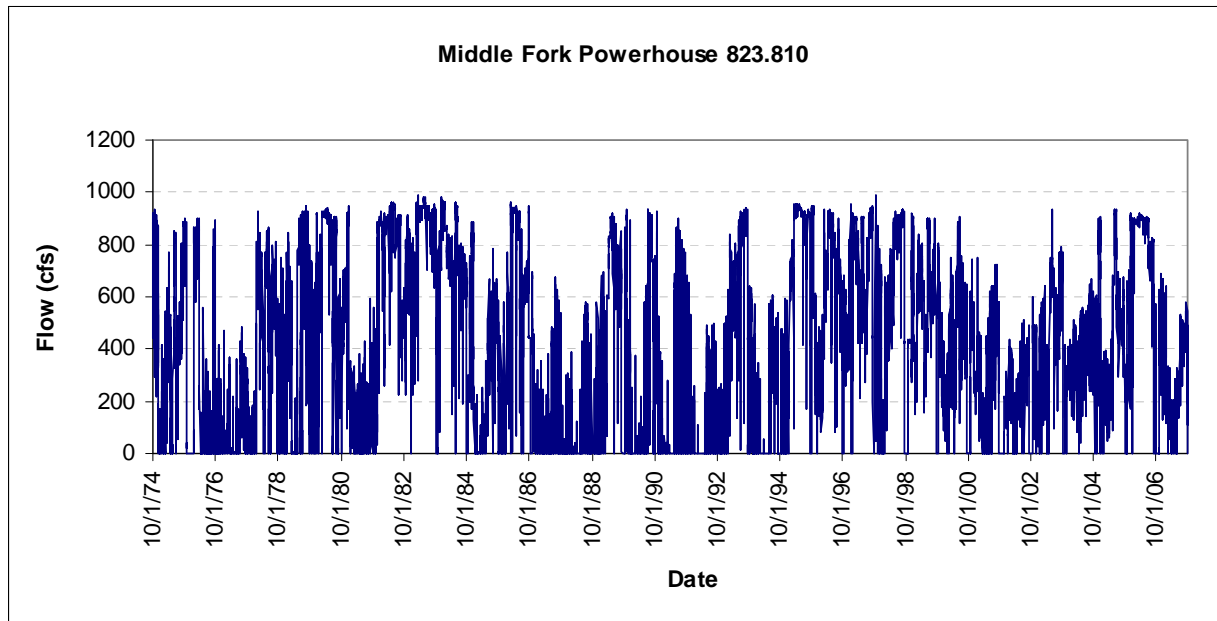

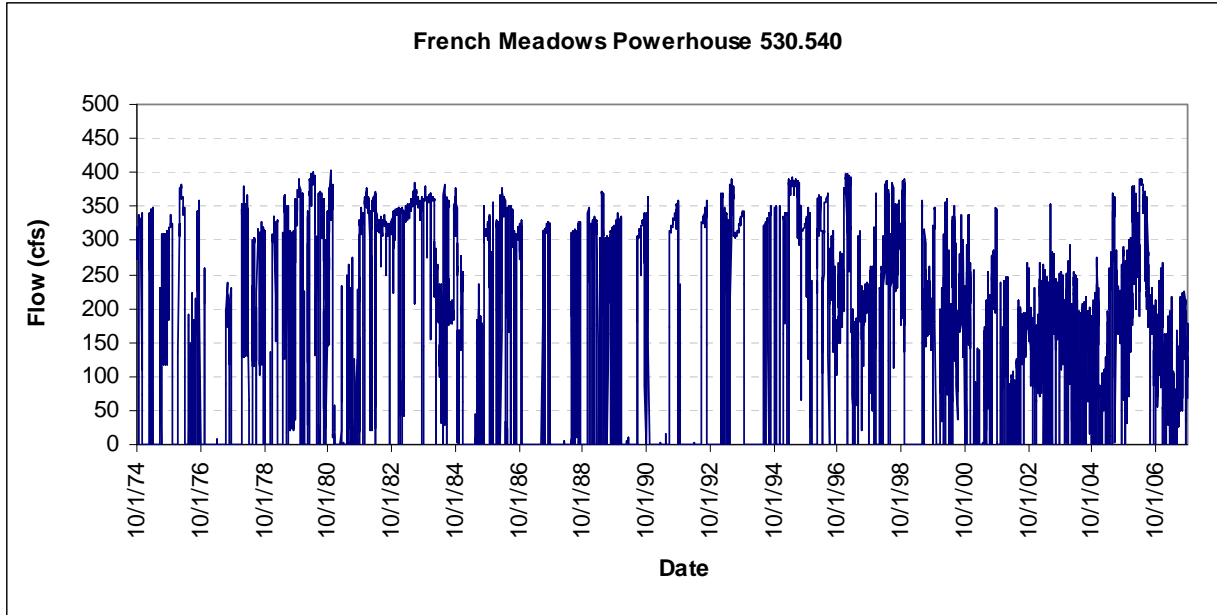

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Middle Fork American River Project Powerhouses (continued)

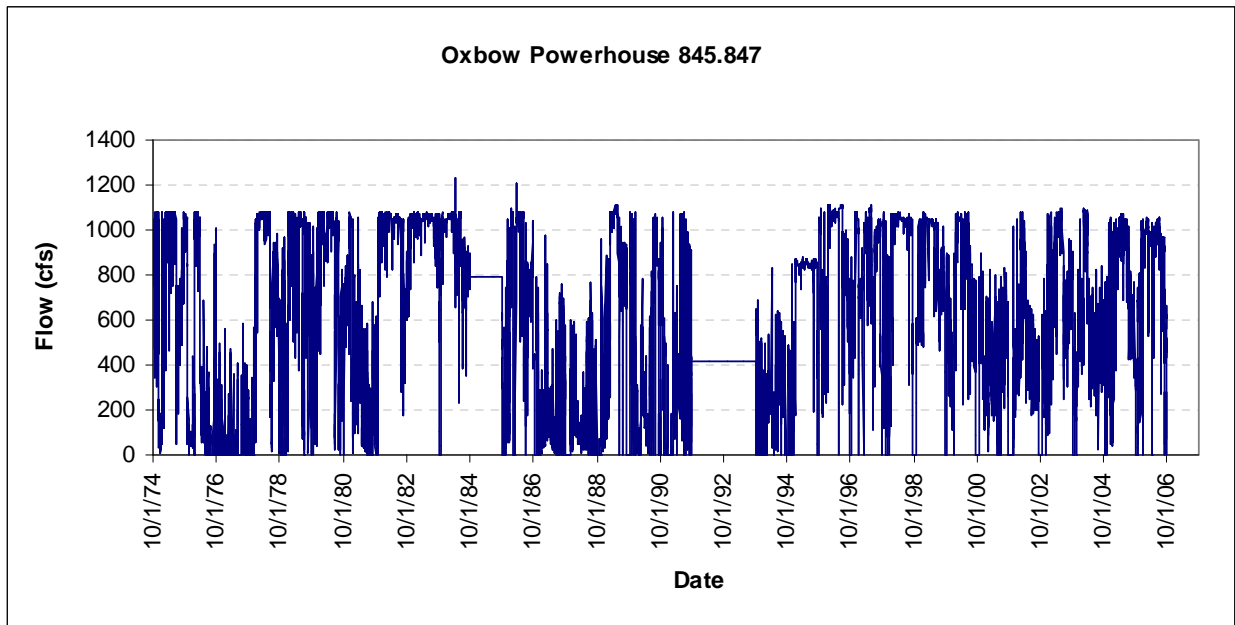

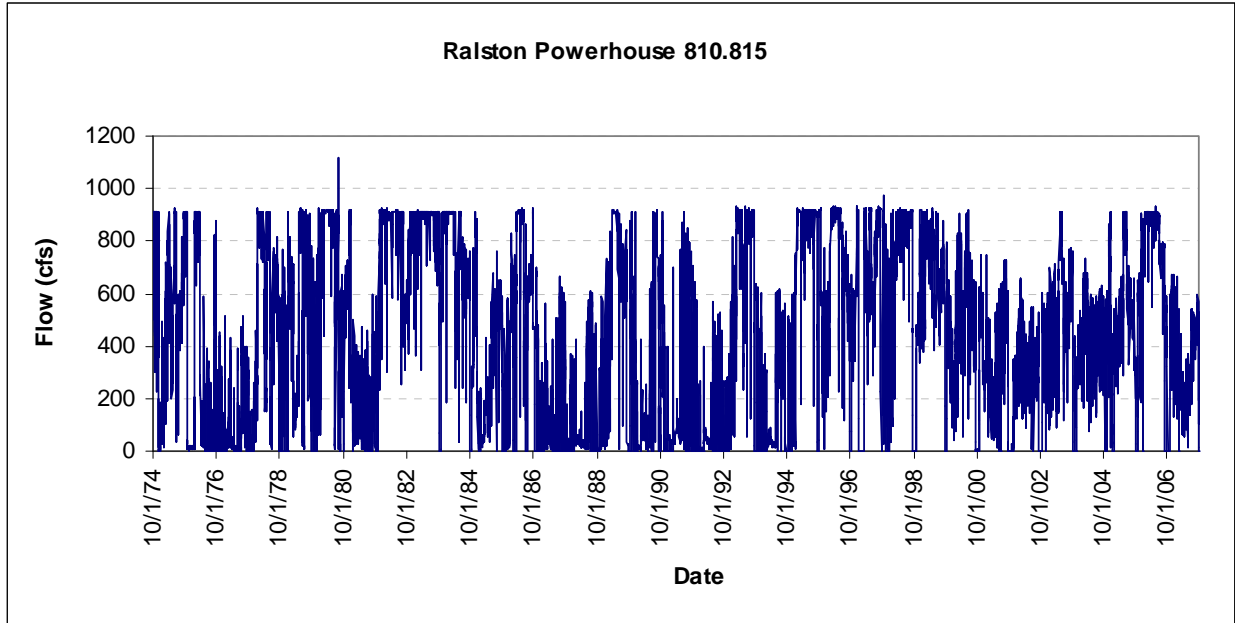

Figure 1. Graphs of Average Daily Flow (1975 – 2007) for Selected Locations in the Waters Associated with the Middle Fork American River Project (continued).

Middle Fork American River Project Reservoirs
