Subject: Action Items from Communication Protocols mtng 4/20/09

Ed,

Following are the action items and decisions reached at yesterday's Communication Protocols meeting:

- Rationale documents will be created and reviewed with each management plan/measure agreed upon. Entrix will email proposed changes to Draft Protocols regarding this decision.
- Entrix will provide draft table of contents for Draft Application
- Communication Protocols collaborative participants will email comments/edits on Version 3 Protocols to PCWA by April 29
- Revised draft of Protocols will be distributed to collaborative by May 7
- Next meeting of Communications Protocols collaborative is morning of June 2

Items noted for continued discussion:

- Form of memorialization of agreements
- Timing and process for non-FERC agreements

Please call if questions.

Marie
