Notes:

- Easy = Number of days trail crossing was available below the Easy/Moderate flow threshold
- Moderate = Number of days trail crossing was available below the Moderate/Difficult flow threshold (includes the number of days that trail crossing was unavailable below the Easy/Moderate flow threshold)
- Summer = June, July, August
- Fall = September, October, November
- Winter = December, January, February
- Spring = March, April, May

Table Rec 4-16b. Average Number of Hours per Day (7:00 AM - 7:00 PM) that River Crossing was Possible at Trail Crossings in the Middle Fork American River - UNIMPAIRED CONDITIONS.
