RE: Middle Fork American River Project Relicensing / Final 2007 Technical Study Report
AQ 3 – Macroinvertebrate and Aquatic Mollusk

Dear Aquatic Resources Technical Working Group Member –

On May 19, 2008, Draft AQ 3 – Macroinvertebrate and Aquatic Mollusk Technical Study Report (TSR) – 2007 was distributed to the Aquatic Resources Technical Working Group for review and comment by July 18, 2008.

As no comments were received on the draft TSR, PCWA deems AQ 3 – Macroinvertebrate and Aquatic Mollusk Technical Study Report – 2007 approved.

Attached for your use is the CD containing the final study report.

If you have any questions, please don't hesitate to call me at (530) 823-4889.

Sincerely,
PLACER COUNTY WATER AGENCY
