RE: Middle Fork American River Project Relicensing / Final 2008 Technical Study Report
AQ 9 – Geomorphology

Dear Aquatic Resources Technical Working Group Member –

On December 9, 2008, Draft AQ 9 – Geomorphology Technical Study Report (TSR) – 2008 was distributed to the Aquatic Resources Technical Working Group for review and comment by March 9, 2009.

PCWA received one comment on the draft report which is provided in Attachment A, along with PCWA's response. No changes to the report were made in response to the comment letter; therefore, PCWA deems AQ – 9 Geomorphology TSR – 2008 approved.

Attached for your use is the CD containing the final study report.

If you have any questions, please don't hesitate to call me at (530) 823-4889.

Sincerely,
PLACER COUNTY WATER AGENCY
