SUBJECT: Middle Fork American River Project Relicensing – Request for Review of Draft TERR 6 – Special-status Bats Technical Study Report 2007

Dear Terrestrial Resources Technical Working Group Member –

Enclosed is the compact disk (CD) containing the Draft TERR 6 – Special-status Bats Technical Study Report (TSR) – 2007 which contains the associated tables, figures, maps, and appendices. The draft report is also available on PCWA's website at the following link:
<http://relicensing.pcwa.net/drafts/htm>.

The Draft TERR 6 – Special-status Bats documents the results of studies conducted during 2007. Please review the report and provide any comments you may have to PCWA by May 5, 2008. Any comments we receive will be evaluated and addressed in a final report, as appropriate. You may submit your comments electronically to our MFP Relicensing e-mail address at relicensing@pcwa.net or you may mail your comments to:

Mal Toy, Director of Resource Development
Placer County Water Agency
P.O. Box 6570
